Subject: Area 7-Day Activity Report - Area Four - Week 10

Good morning,

Attached is the Area 7-Day Activity Report - Area Four - Week 10. There was a shooting (JH179842) in the 011th District that was an attempt robbery, the victim was not shot but returned fire as a CCL holder and struck one of the offenders. It's still classified as the original 041A in the system per Caboodle and the Major Incident Notice, but it looks like the detectives are changing it to an attempt armed robbery and it will hopefully be updated soon. This will decrease the 011th District's shootings to 6 and the Area Four shooting total to 12. Please let me know if you have any questions.

Thank you,

PO Abernethy
