Sgt's can we please not lose touch w/our vehicle stops. Let's keep that number to 5 per car. It's not much. If u think we can tackle this another way let me know.

That will bring us to 60 per day from tact which i believe is a manageable number. Need each teams cooperation. Thank You. As you all can see we are evaluated on what our teams do on a daily basis and the Commander is aware as well.

*** our stops have dropped from all teams***
