Good Morning Director Maris and Sgt. Arambula.

The carpenters are here working on the room. I was asked to see if the televisions and the mounts were available this morning. The carpenters informed me that they needed these items to insure proper locations on the wall. Please let me know when these items are available or if you need me to help get them over here.

Thanks very much for all of your continuing help.

Subject: UPDATE CAS

All,

Starting tomorrow we will begin construction in the office space at Homan Square. We are planning to have construction completed by Friday. We also are shooting to have computers and TV installed as well. As the timeline moves we will update accordingly.

Thanks for your patience. Please notify all involved, since I don't have their emails.

Tamie
