2024 ACLU-IL Affirmative Legislative Agenda

Legislators in Springfield need to be contacted by you on this impactful legislation.

HB 4093: Protect Health Data Privacy Act

HB 4093 aims to safeguard private health care information by assuring that individuals have more control over their data before it is collected, stored, shared or sold to others.

HB 4781: Kinship in Demand Act (KIND Act)

The KIND Act provides equitable support for kinship care and guardianship benefits to improve outcomes for DCFS-involved youth who are in relative care, as well as increase the capacity of relatives to become caregivers delivering permanency for more youth.

HB 5548: Protect Youth Access to Health Care Act

HB 5548 ensures that parents are not at risk of being punished or losing their rights when they support their child's access to lawful health care.

SB 3499: End of Life Options for Terminally Ill Patients Act

SB 3499 will allow a mentally capable, terminally ill adult with a prognosis of six months or less the option to obtain a prescription medication they may decide to take so they can die peacefully and end their suffering.
