Do you commit to using your platform as Cook County State's Attorney to support state legislation that would reform the criminal legal system?	●	●	●	○	○	○
Would you support legislation that reclassifies the penalty for small-scale drug possession from a felony to a misdemeanor?	●	●	●	○	○	○
Illinois' dollar-value threshold for prosecuting retail theft as a felony is one of the lowest of any state, and was last updated ten years ago. Would you support legislation increasing the threshold to a level similar to surrounding states?	○	●	●	○	○	○
Would you support efforts to repeal mandatory minimums and mandatory sentencing enhancements that limit judges' discretion?	●	●	●	○	○	○
Would you maximize the use of restorative justice and pre-adjudication diversion programs to keep young people out of the criminal legal system whenever possible?	●	●	●	○	○	○
Will you commit to charging the lowest level crime that still promotes public safety?	●	●	●	○	○	○
Would you commit to diverting people with substance abuse and mental health disorders away from jails when there is a community-based or alternative treatment available that does not involve incarceration?	●	●	●	○	○	○
Do you commit to working to expand the treatment programs available for people with substance abuse and mental health issues, including asking legislators for appropriations and working with communities?	●	●	●	○	○	○
Do you commit to recommending that all fees be waived for people sentenced for criminal, traffic, or civil offenses who cannot afford to pay?	●	●	●	○	○	○
Do you commit to recommending that any fines imposed as a penalty for a civil, traffic, or criminal offense be set at an amount that is attainable in light of an individual's financial circumstances?	●	●	●	○	○	○
