Section 2504.30 Preparation of Disciplinary Reports

a) Every employee has the duty to observe the conduct of youth.

b) When the rule infraction is minor, every effort should be made to take corrective action that is adapted to individual circumstances, administered immediately and consistently, and is understood by the youth through appropriate counseling efforts. If an employee observes a youth committing a potentially major offense, discovers evidence of its commission, or receives information from a reliable
witness of such conduct, the employee shall promptly prepare a disciplinary report. When the rule infraction is potentially major and may justify placement on investigative status, the shift supervisor should be contacted immediately. Use of confinement in response to an offense must be consistent with the requirements of Subpart B.

c) The disciplinary report must be fully completed. The reporting employee shall provide the following information to the extent known or available.

1) The name and youth identification number of the youth.

2) The place, time, and date of the offense.

3) The offense that the youth is alleged to have committed.

4) A written statement of the conduct observed.

5) The names of youth, employees, and visitors who were witnesses. The identity of witnesses may be withheld for reasons of security provided a statement to that effect and the information the confidential source provided are included on the disciplinary report to the extent the information can be included without jeopardizing security.

6) The signature of the reporting employee and the date and time the report is completed.

d) If a youth is placed on investigative status, an investigative report shall be issued that reasonably informs the youth of the subject of the investigation to the extent that safety and security allow.

f) Service of a disciplinary report or investigative report upon the youth shall commence the disciplinary proceeding. If a youth is currently confined on investigative status, he or she must be served with an investigative report within 12 hours after placement in confinement. In no event shall a disciplinary report or investigative report be served upon any youth more than 6 days, after the commission of an offense or the discovery thereof unless the youth is unavailable or unable to participate in the proceeding.

Section 2504.40 Temporary Confinement (Repealed)

Section 2504.50 Review of Disciplinary Reports

a) The Chief Administrative Officer of each facility shall designate one or more Internal Investigators.
b) If a youth is currently confined on investigative status and an investigative report has not been served on the youth within 12 hours after placement in confinement, the Internal Investigator shall inform the Chief Administrative Officer.

c) A youth who is placed on investigative status shall be interviewed by the Internal Investigator in order to permit the youth an opportunity to present his or her views regarding the incident. The interview shall be conducted within 3 days after initial placement of a youth in investigative status, whenever possible.

1) If the investigation does not indicate that the youth may be guilty of any disciplinary offense, placement in investigative status shall be terminated and the report shall be expunged from the youth's records. A copy shall be maintained in an expungement file. This decision shall be made by the Chief Administrative Officer and shall be documented in writing.

2) If, as a result of the investigation, it is necessary to amend or modify the original charges, the youth shall be issued a revised disciplinary report.

3) Upon completion of the investigation, the youth shall appear before the Adjustment Committee for a hearing on the disciplinary report unless the report has been expunged.

d) The Internal Investigator shall review each disciplinary report and determine whether:

1) The reported facts justify a disciplinary hearing. If not, the report shall be expunged from the youth's records. A copy shall be maintained in an expungement file.

2) The disciplinary report has been completed properly. If not, the Internal Investigator shall make the necessary corrections or direct the reporting employee to make the corrections. The youth shall be provided with a copy of the corrected report. In the event the corrected report contains new charges, the youth shall be provided a copy of the corrected report at least 24 hours prior to the hearing, unless the youth waives this notice in writing.

3) The offense is major or minor in nature. Disciplinary reports for major offenses shall be assigned to the Adjustment Committee for a hearing and disciplinary reports for minor offenses shall be assigned to the Program Unit for a hearing.
A) Aiding and abetting, soliciting, attempting to commit, conspiring
to commit, or committing any offense listed in the 100, 200, or 500
series of Table A shall be considered a major offense.

B) Those offenses listed in the 300 or 400 series or the aiding and
abetting, soliciting, attempting to commit, or conspiring to commit
any of these offenses shall be designated as major or minor based
on the seriousness of the offense and the following factors:

i) The aggressiveness of the youth;

ii) The threat posed to the safety and security of the facility or
any person;

iii) The need to restrict the youth's access to general population
to conduct the investigation; or

iv) The seriousness of the offense.

Section 2504.70 Adjustment Committee Hearing Procedures

a) The Adjustment Committee hearing shall be convened but need not be concluded
within 7 days after the commission of the offense or its discovery, whenever
possible, unless the youth has received a continuance or is unable or unavailable
for any reason to participate in the hearing. For purposes of this Section, when an
investigation has taken place, an offense is considered to be discovered upon the
conclusion of the investigation. Inability to participate includes the absence of the
youth from the facility for any reason or certification by health care staff that the
youth is unable to appear.

b) The youth shall receive written notice of the facts and charges being presented
against him or her no less than 24 hours prior to the Adjustment Committee
hearing. The youth may waive the 24-hour advance notice. The waiver shall be
in writing.

c) The youth shall be informed before or at the hearing of information that would
tend to show that the youth was not guilty. If information is provided to him or
her at the hearing, the youth shall, upon request, be given a continuance.

d) Any person who initiated the allegations that serve as the basis for the disciplinary
report, or who conducted an investigation into those allegations, or who witnessed
the incident, or who is otherwise not impartial shall not serve on the Adjustment
Committee hearing that disciplinary report. A youth who objects to a member of
the Committee based on a lack of impartiality must raise the matter at the
beginning of the hearing. The Committee shall document the basis of the objection and the decision in the Adjustment Committee summary.

e) A youth may, upon written request and for good cause shown, be granted additional time to prepare his or her defense. If at the time of the hearing the Committee determines that the youth was unable to prepare a defense, because of a language barrier, the Committee shall automatically grant a request for a continuance for language assistance. The committee shall then make the necessary arrangements for language assistance. Inability to prepare a defense due to a language barrier includes, but is not limited to, a request for witnesses.

f) Any youth charged with a violation of any rules shall have the right to appear before and address the Committee. Any refusal to appear shall be documented and provided to the Committee. However, failure to appear before or address the Committee may be adversely construed against the individual by the Adjustment Committee.

1) The youth may make any relevant statement or produce any relevant documents in his or her defense.

2) Prior to the hearing, the youth may request that witnesses be interviewed. The request shall be in writing on the space provided in the disciplinary report and shall include an explanation of what the witnesses would state. If the youth fails to make the request in a timely manner before the hearing, the individual may be granted a continuance for good cause shown.

g) The Committee shall consider all material presented that is relevant to the issue of whether or not the youth committed the offense.

h) The Adjustment Committee shall consider any statements of witnesses with relevant knowledge of the incident who are reasonably available.

1) The Committee or its Hearing Investigator may interview witnesses and prepare or review summaries of their testimony prior to or at or subsequent to the hearing.

2) The offender does not have the right to confront or cross-examine any witnesses but may submit questions for witnesses to the Committee prior to the hearing. These questions shall be asked by the Committee or its Hearing Investigator unless found to be cumulative, irrelevant, or a threat to the safety of individuals or the security of the facility.

3) A means shall be provided in each living unit for youth to submit witness request slips. The Committee may disapprove witness requests that are
Requests by youth for witnesses may be denied if their testimony would be, among other matters, irrelevant or cumulative or would jeopardize the safety or disrupt the security of the facility. If any witness request is denied, a written reason shall be provided.

At least one person who serves as an Adjustment Committee member shall hear the in-person testimony of the youth's witnesses where the youth makes a timely request for the witnesses or is granted a continuance to request witness testimony. In-person testimony of the youth's witnesses shall be defined as face-to-face contact or telephonic contact by the Adjustment Committee.

If the Adjustment Committee makes a written determination that the in-person testimony by the witness requested by the youth would undermine authority or would present potential disruption of the operations of the facility or a threat to the safety of any person or institutional safety or correctional goals, the Adjustment Committee may elect to accept the testimony through other legally permissible means, including, but not limited to, a sworn written summary of an interview of the witness or a sworn statement.

A sworn written statement or sworn written summary of a witness' testimony is a reasonable alternative to in-person testimony if the witness' testimony will be accepted as credible and it involves verification of alleged facts, including but not limited to a witness who will testify to the authenticity of contents of a record or document, cell location, work assignment, writ status, staff work schedule, or identification.

When testimony is presented to the Adjustment Committee in the form of a written summary or statement, a copy of the written summary or statement shall be given to the accused youth unless the Adjustment Committee finds that disclosure presents a threat to the safety of any person.

The youth shall not have the right to either retained or appointed counsel. The youth may request the assistance of a staff member in the preparation and presentation of his or her defense if he or she is illiterate or does not speak English or when other circumstances exist that preclude the individual from adequately preparing his or her defense.

The Adjustment Committee shall decide whether or not the youth committed the offense based upon all relevant information and evidence.
1) The Committee must be reasonably satisfied there is some evidence that 
the youth committed the offense for the individual to be found guilty.

2) Polygraph results may be considered but may not be the sole basis for 
finding the youth guilty of the offense.

k) The Adjustment Committee shall take one of the following actions, based upon 
the evidence admitted:

1) Find that the youth did not commit the offense. In that case, the 
Committee shall order that the disciplinary report be dismissed and 
expunged from the youth's record. A copy shall be maintained in an 
expungement file.

2) Find that further investigation is necessary to determine if the youth did or 
did not commit the offense and place the youth in investigative status.

3) Find that additional time is needed to obtain information relative to the 
charge. The hearing may be continued for a reasonable time. However, 
unless the youth is placed in investigative status, the individual may not be 
placed in confinement.

4) Find that the youth did commit the offense or a lesser offense for which 
the elements were included in the original charge. The Committee may 
recommend one or more of the following disciplinary actions:

A) Reprimand the youth.

B) Suspend or restrict one or more privileges of the youth for a 
specific period of time.

C) Reduce the youth's grade or level.

D) Change the youth's program.

E) Change the youth's housing assignment or transfer the individual to 
another youth center.

F) Increase the youth's security classification.

G) Require the youth to make restitution.

H) Require forfeiture of items of contraband used in the offense or 
possessed in violation of this Part.
I) Delay referral of a youth to the Prisoner Review Board for recommended parole or aftercare.

5) This Part shall in no way be construed to restrict or limit the Department's ability to administratively change a youth's job, educational, program, or housing assignment, to restrict privileges, or to transfer the youth to another facility.

I) A written record shall be prepared and signed by all members of the Committee that contains:

1) A summary of oral and written statements and other evidence presented.

   A) The Committee may consider information from confidential sources if:

      i) It finds that his or her identity must be withheld for reasons of security; and

      ii) The information is reliable.

   B) Reliability may be established by one of the following:

      i) The investigating officer has indicated, in writing and by his or her appearance before the Adjustment Committee, the truth of his or her report containing confidential information;

      ii) Corroborating testimony such as statements from other sources or polygraph results; or

      iii) A statement by a member of the Adjustment Committee or an oral or written statement to the Adjustment Committee by supervisory or administrative staff that the individual has firsthand knowledge of the sources of information and considers them reliable on the basis of their past record of reliability.

   C) If the identity of a source is being withheld for reasons of security, a statement to that effect and a statement that the Committee finds the information reliable must be included. A summary of the information provided and the basis for the finding of reliability shall be documented, but need not be included in the summary based on safety and security concerns.
2) If the Committee members find that the youth committed the offense, a statement as to their reasons for the finding. If exonerating evidence is presented and disregarded, the Committee must state the basis for disregarding the evidence.

3) The disposition of the charges, the disciplinary action recommended, and the reasons for recommending the disciplinary action.

m) If the safety or security of the youth center or any person is jeopardized by certain references in the written record, they may be deleted but the fact that omissions have been made shall be noted on the summary, along with a finding that material is being deleted based on safety or security concerns.

n) If the youth is found guilty, the individual shall be informed of the opportunity to appeal through the grievance procedures in 20 Ill. Adm. Code 2504.Subpart C.

o) A copy of the disciplinary report and Adjustment Committee summary shall be forwarded to the Chief Administrative Officer for review and approval and a copy shall be filed in the youth's record. The youth shall be given a copy of the Adjustment Committee summary.

p) The Chief Administrative Officer shall review all Adjustment Committee dispositions. The Deputy Director of the Juvenile Division shall review any Adjustment Committee disposition of a youth when the Committee has recommended a delay in referral of the youth to the Prisoner Review Board for more than 30 days.

1) The Director, Deputy Director, or Chief Administrative Officer may take the following actions:

A) Confirm the recommendation in whole or in part.

B) Order additional or new proceedings.

C) Suspend or overturn the recommendation.

D) Offer the youth a work assignment which, if accepted and satisfactorily completed, will result in reduction of original disciplinary sanctions.

2) The Director, Deputy Director, or Chief Administrative Officer shall not increase the sanctions recommended by the Adjustment Committee, but he or she may reduce them. The youth shall be sent a copy of any modification to the Adjustment Committee recommendations.
Section 2504.90 Program Unit Hearing Procedures

a) The Program Unit hearing shall be convened, but need not be concluded, within 7 days after the commission of the offense or its discovery, whenever possible, unless the youth is unable to participate in the hearing.

b) The youth shall receive written notice of the facts and charges being presented against him or her prior to the hearing.

c) Any person who initiated the allegations that serve as the basis for the disciplinary report, or who conducted a formal investigation into those allegations, or who witnessed the incident, or who is otherwise not impartial shall not conduct a hearing on that report.

d) The hearing may be continued to obtain additional information or upon the youth's written request and for good cause shown.

e) The youth shall have the right to appear before and address the Program Unit Hearing Officer.

f) The Program Unit Hearing Officer may call witnesses and review any information relevant to the charge.

g) The youth shall not have the right to retained or appointed counsel. The youth may request the assistance of a staff member in the preparation of his or her defense if the individual is illiterate or does not speak English or when other circumstances exist that preclude the individual from adequately preparing his or her defense.

h) The Program Unit Hearing Officer may return a disciplinary report to the Chief Administrative Officer with a recommendation for a hearing before the Adjustment Committee. The factors listed in Section 2504.20(b) shall be considered when making this determination.

1) If approved by the Chief Administrative Officer, a hearing before the Adjustment Committee shall commence within 7 days after the approval, whenever possible.

2) If not approved, the disciplinary report shall be referred back for a hearing before the Program Unit which shall commence within 7 days after the decision not to approve the recommendation, whenever possible.

i) The Program Unit Hearing Officer may recommend any of the actions authorized in Section 2504.70(k) of this Part except that the Officer may not recommend...
delay in referral of a youth to the Prisoner Review Board for recommended parole or aftercare, an increase in the youth's security classification, or transfer to another youth center.

j) A record shall be signed by the Hearing Officer that contains a summary of oral and written statements and other evidence presented, the decision, and the disciplinary action recommended.

k) The summary shall be processed in accordance with Sections 2504.70(o) and (p) and 2504.80 of this Part.
