Re: Breastfeeding at Logan Correctional Center

Dear Ms. Meek,

This letter is in response to your recent correspondence regarding breastfeeding at the Logan Correctional Center. Thank you for bringing your concerns to our attention. Logan is revising its policy to allow parents to breastfeed their infants during visits to the facility. Logan will ensure that breastfeeding can be done in a private area. As with all IDOC policies, implementation of this change will be subject to the safety and security needs of the facility. Should you have any additional questions or concerns, please do not hesitate to contact us.

Best Regards,
