HB 2542 brings IL law in line with the majority of other states and helps trans and gender-expansive people and survivors of human trafficking live safer and more authentic lives by:

- Removing the ten year waiting period for people with felony convictions
- Removing the lifetime ban for people with identity theft convictions
- Adding a judicial discretion exception for people seeking a name change due to gender-related identity, marriage, religion and status as a human trafficking survivor to the registration period ban in the Sex Offender, Arsonist and Murderer and Violent Offender Against Youth Registration Acts
- Improving efficiency by focusing the grounds for State’s Attorney Objections on petitions filed by people with pending charges, a conviction of identity theft or aggravated identity theft or a conviction requiring registration with the Sex Offender Registry
- Increasing transparency by requiring notice of objections served on petitioners
- Removing the outdated third party affidavit requirements
- Expands access to publication waiver and streamlines the waiver process
- Streamlining procedure with a statewide, standardized petition
